

# Premium Plate®

a TF Warren Company

## FULL SERVICE PROVIDER OF STEEL PLATE AND PROCESSING

## Premium Plate Processing

Premium Plate, a TF Warren Company, located in Mobile, AL is a carbon, alloy, and stainless plate service center that specializes in providing the highest quality prime mill certified steel plate at competitive prices.

In addition to the industry leading blast and prime service currently offered by Blastech Mobile LLC, Premium Plate's strategically located site can now provide enhanced cost savings associated with transportation and processing.

TF Warren Group is now able to offer a variety of different shop coatings, burning capabilities up to 2" thick and rolled plates of all thicknesses up to 1.5" x 120" wide and 600" long.

Premium Plate's new 20,000 sq. ft. custom-built facility is equipped with state-of-the-art High-Definition Plasma compound beveling heads, an 83' dry downdraft table, and a sophisticated 4-roll plate rolling system with tilting in-feed and out-feed tables to ensure repeatable, accurate, and low cost part production.
